

'YETI' WORKPLAN

OBJECTIVE: Brainstorm ideas to engage students to participate in health-related activities in their community.

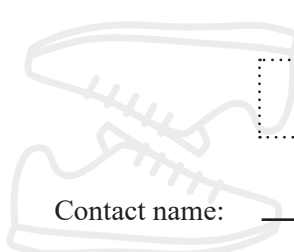

GOALS

Target Activity: _____

Target group served: _____ Number of participants: _____

NEEDS

PARTNERS: Who might you be your willing community supporters? Many supporters may share common goals or target groups, but some may be “outside the box”.

	PARTNER #1	PARTNER #2	PARTNER #3
			
Contact name:	_____	_____	_____
What do you want them to provide? (Can be volunteers, money, prizes, etc.):	_____ _____	_____ _____	_____ _____

BUDGET: How much money do you think you will need to support your program?

Item	Cost Per	Quantity	Total

Approximate Total: _____

TIMELINE: What will be some of the major deadlines for your project?

ACTION ITEMS: Who will be in charge of the major details of your program?

Name	Action	Due Date

How will you measure success? (Great grant question.)
